Dreams, Symbols, and Homeopathy Jun 14 2021 In understanding such things as the role of the shadow in healing, the relationship between the ego and the transpersonal self, and the application of dream analysis, medical practitioners can better address present day health challenges. Included are client interview techniques, natural remedies, and a bibliography and glossary of Jungian terms.

Beginnings of a Dream Jul 04 2020 Plunging the reader into a phantasmagoric world where streets are paved with human remains and men are apocalyptically condemned to death by the fire of their loins, these short stories strike a fabulist and magical realism drawn from African traditions and present-day conditions. For all its contemporary relevance, this collection has at its core a dialogue between the living and their ancestors that creates a powerful resonance between the bones of the dead and the echoes of their survivors.

Vind je droom Sep 17 2021 In Templeton House in Californië groeien drie meisjes op. Kate, Laura en Margo voelen zich zusjes, maar de naam Templeton betekent voor elk van hen iets anders. Als jonge vrouwen gaan ze elk hun eigen weg en komen ze erachter dat je soms moet vechten voor je plekje in de wereld... Laura's droom van lang en gelukkig met man en kinderen spat uiteen als haar echtgenoot aangeeft te willen scheiden. De harde werkelijkheid maakt haar bijna kapot, maar misschien is het tijd dat ze iets totaal nieuws probeert? Iets ondeugends en vrijblijvends... met de super aantrekkelijke Michael Fury, bijvoorbeeld.

Grote verwachtingen Jan 10 2021 In [Grote verwachtingen](#) vertelt en duidt Geert Mak de recente geschiedenis zoals alleen hij dat kan. Het is het vervolg op het immens succesvolle [In Europa](#) dat vijftien jaar geleden verscheen. Enkele jaren later volgde de 35-delige tv-serie met de schrijver in de hoofdrol. In Europa ging over de twintigste eeuw en hoe die in veel opzichten gruwelijke periode getekend door twee wereldoorlogen, ons heeft gevormd. [Grote verwachtingen](#) gaat over de eerste twee decennia van de eenentwintigste eeuw. Het neemt de draad op waar [In Europa](#) eindigde, in 1999. Mak schetst de sfeer en stemming tijdens de eeuwwisseling, het optimisme dat toen hoogtij vierde maar dat gaandeweg verdween, de gevoelens rond de invoering van de euro, de gevolgen van de aanslag op de Twin Towers, de toestand in Oost-Europa en Rusland, de bankencrisis, de Verenigde Staten, Noord- versus Zuid-Europa, en de vluchtelingen.

[Koester je droom](#) Aug 29 2022 In Templeton House in Californië groeien drie meisjes op. Kate, Laura en Margo voelen zich zusjes, maar de naam Templeton betekent voor elk van hen iets anders. Als jonge vrouwen gaan ze elk hun eigen weg en komen ze erachter dat je soms moet vechten voor je plekje in de wereld... Kate is er een meester in haar emoties en gevoelens zo veel mogelijk weg te stoppen. Ze snapt dan ook niet wat ze in Byron ziet: hij mag dan sexy en succesvol zijn, maar hij laat zich ook door zijn gevoelens leiden. Pas wanneer haar wereld opeens volledig op zijn kop wordt gezet, moet ze toegeven dat ze zelf óók emoties heeft. En dat Byron misschien toch een kans maakt...

Requiem for a Dream Oct 26 2019 Rachel is a poet-writer versed in prose as much as she is rhyme. She loves to weave words and for the most part has no idea where the words are leading her to, she finds it the fun way to write. In author's words on her writing style from her poem The Flow of Magical Words. "I love words, which pour easily from my pen, when I put pen to paper a world of words does open, it flows on the page it's soul mate, though no one can read the scrawl of words which well inside and opens a gate, out comes beauty, rhymes of passion, sage words and gloom, rhyming poem, deathly prose dark as the hand of doom, the right word is magic in my hand, like a lover sigh lightly fanned."

The Wisdom of the Dream Sep 05 2020 The Wisdom of the Dream takes you on a journey in Jung's footsteps through Switzerland, the United States, and Africa and records the memories of his students, patients, and followers. Through these testimonies, renowned writer/producer Stephen Segaller portrays a man of genius and humility whose devotion to understanding and curing psychological pain affected everyone around him. With a new afterword by the author and releasing to coincide with the PBS television documentary premiering in Fall 2000, The Wisdom of the Dream offers the reader a unique encounter with Jung's thought, an experience that may awaken a deeply rewarding, individual search for meaning.

De droom Sep 29 2022 In De Droom van H.G. Wells is er sprake van een raamver telling: er wordt een verhaal in een verhaal verteld. De roman begint ergens rond het jaar 4000, en we volgen de bioloog Sarnac die op vakantie is met zijn geliefde. Als Sarnac een dutje gaat doen heeft hij een hele vreemde, uitgebreide droom. Deze droom vormt de rest van het verhaal, en volgt het volledige leven van Harry Mortimer Smith, een Engelsman die leefde aan het begin van de twintigste eeuw. Door een verhaal uit zijn eigen tijd te laten vertellen door iemand uit de verre toekomst kan Wells kritiek leveren op de aspecten van de maatschappij waarvan hij denkt dat er in de toekomst anders over wordt gedacht. Zo gaat Smith weg bij zijn vrouw omdat ze is vreemdgegaan, en vertrekt hij naar het front van de Eerste Wereldoorlog om te gaan vechten in een zinloze oorlog. H.G. Wells (1866-1946) geldt als pionier van het sciencefictiongenre. Zijn fantasierijke boeken over de toekomst of het leven op andere planeten spreken nog altijd tot de verbeelding. Tot zijn

bekendste werken horen The Time-machine, The invisible man en The War of the Worlds, dat onder andere tot hoorspel, musical en speelfilm is verwerkt.

The World Dream Book Mar 12 2021 A unique self-help guide to dream interpretation using techniques and icons from cultures around the world. □ Challenges the assumption that all symbols universally signify the same thing to all dreamers. □ Includes numerous stories, games, and exercises for inducing, recalling, interpreting, and utilizing dreams. □ Extends beyond Jung and Freud to include dream theory from numerous world cultures, including the Temiar of Malaya, the African Ibans, the Lepchka of the Himalayas, and the Ute of North America. Dreaming can be used as a tool for understanding our own consciousness, enhancing creativity, receiving visions, conquering fears, interpreting recent events, healing the body, and evolving the soul. Tapping into the vast dreaming experiences and lore of the world's cultures--from the Siwa people of the Libyan desert to the Naskapi Indians of Labrador--Sarvananda Bluestone challenges the assumption that all symbols universally signify the same thing to all dreamers. The World Dream Book encourages readers to develop their own, personalized symbols for understanding their consciousness and provides a series of stories, multicultural techniques, and games to help them do so. Playful explorations, such as the aboriginal "Sipping the Water of the Moon," teach how to induce, recall, interpret, and utilize the power of dreams. Readers will discover how a stone under a pillow can help us remember a dream and will explore their own dormant artist and writer as they reclaim the power of their sleeping consciousness. Sarvananda Bluestone applies his uniquely engaging style to demonstrate that, with a few simple tools, everybody has the capacity to unleash their full dreaming potential.

People of the Dream Jun 26 2022 It is sometimes said that the most segregated time of the week in the United States is Sunday morning. Even as workplaces and public institutions such as the military have become racially integrated, racial separation in Christian religious congregations is the norm. And yet some congregations remain stubbornly, racially mixed. People of the Dream is the most complete study of this phenomenon ever undertaken. Author Michael Emerson explores such questions as: how do racially mixed congregations come together? How are they sustained? Who attends them, how did they get there, and what are their experiences? Engagingly written, the book enters the worlds of these congregations through national surveys and in-depth studies of those attending racially mixed churches. Data for the book was collected over seven years by the author and his research team. It includes more than 2,500 telephone interviews, hundreds of written surveys, and extensive visits to mixed-race congregations throughout the United States. People of the Dream argues that multiracial congregations are bridge organizations that gather and facilitate cross-racial friendships, disproportionately housing people who have substantially more racially diverse social networks than do other Americans. The book concludes that multiracial congregations and the people in them may be harbingers of racial change to come in the United States.

The American Dream and the Public Schools Jun 22 2019 Examines desegregation, school funding, testing, vouchers, bilingual education, multicultural education, and ability grouping. These seem to be separate problems, but much of the contention over them comes down to the same thing: an apparent conflict between policies designed to promote each student's ability to pursue success and those designed to insure the good of all students or the nation as a whole. The authors show how policies to promote individual success too often benefit only those already privileged by race or class. The book also examines issues such as creationism and afrocentrism.

Spirit & Dream Animals Aug 24 2019 Have you ever dreamt about a bird, wolf, lion, or some other creature and wondered what it meant? From the cheerful bluebird to the courageous tiger, the animals in our dreams often have specific messages that can guide us on our life paths. Once you know your totem animal, you can call upon it for healing, protection, strength, wisdom, and spiritual guidance. In Spirit & Dream Animals, bestselling author Richard Webster will teach you simple and fun techniques to identify and connect with your spirit animal. Lucid Dreaming Astrology Numerology Pendulum Divination Meditation Dancing You'll also learn about animal symbolism in various cultures, the shamanic tradition, and how to recall your dreams more easily and vividly. This handy book also features an alphabetical dream-animal dictionary. With it, you can quickly look up the symbolic meanings of more than 150 creatures—including pets and domestic, wild, and legendary animals.

The Chinese Dream and Ordinary Chinese People Sep 25 2019 This collection of interviews explores how the Chinese Dream is fueling the aspirations of individuals in China today and presents 40 representative cases that showcase the journeys that ordinary people undertake in pursuit of their dreams as well as their extraordinary achievements. The authors identify autonomy, self-awareness, and hard work as the most fundamental driving forces in individuals taking control of their own lives and achieving their dreams, with family and social support as further important factors. Despite the vast differences in the interviewees' dreams and experiences in pursuing them, there is a common thread in their stories, namely the impact of major changes in the country on their lives. The future of individuals is closely linked to the future of the country: a bright future for the country means a good life for all. People's longing for a better life is the basis and a central element of the Chinese Dream, which is the dream of the nation and the dream of every citizen. This book will appeal to a wide audience, including ordinary people.

Recurring Dream Symbols Oct 07 2020 Do you ever wonder why your dreams often contain recurring symbol or themes? Have you been haunted by recurring dreams of being chased, being naked in public or having your teeth fall out? Based on her work with dreamers analyzing their own recurring dream symbols, Kathleen Sullivan explains that working recurrent dreams as a series is the key to unleashing the healing force of these symbols. Fourteen dreamers participate in the study illustrating the process of uncovering the profound meaning within each recurring symbol. These are transformational stories of dreamers engaging their own recurring symbols leading to a new wholeness and deep level of growth and understanding.

Holding the Dream Nov 19 2021 In the second book of Nora Roberts's Dream Trilogy, the ever practical Kate Powell finds her career sidetracked by a scandal—one that will teach her the value of family, friendship, and love. Surrounded by the sweeping cliffs and beauty of Big Sur, Kate Powell treasured both her life at Templeton House and the family who raised her like one of their own. Although Kate lacked Margot's beauty and Laura's elegance, she knew she had something they would never possess—a shrewd head for business. Driven by ambition, Kate measured her life's success with each soaring promotion. But now faced with professional impropriety, Kate is forced to look deep within herself—only to find something missing in her life...and in her heart. Don't miss the other books in the Dream Trilogy Daring to Dream Finding the Dream

The Dream After a Century Jul 16 2021 Current theoretical perspectives on dream research are discussed in this title. Clinical papers, each illustrating the author's technical stance toward dreams in the context of that author's own clinical evidence, are included.

Commentary on the Dream of Scipio Oct 31 2022

Dream Wedding Nov 27 2019 It ought to be a joyful time for Dr. Sara Alderson. Her daughter, Lizzie, is about to graduate college, and marry her longtime boyfriend. But the family's happiness is shattered when a drunk driver seriously injures her teenage son in a hit-and-run accident. Now, instead of planning her daughter's wedding, Sara must fight to save her son's life. And when she discovers who the drunk driver was, someone she thought was a colleague and a friend, she has to fight her desire for revenge. Because Sara knows she has the power to visit the driver's dreams, and in those dreams, she holds the power of life and death. Dream Wedding is the ninth and final book of the Dream Doctor Mysteries.

The Dark Side of the Dream Apr 24 2022 Two Mexican brothers, Jose Luis and Francisco Salazar, and their families migrate to the United States shortly after the U.S. entry into World War II. The story depicts their struggles as they come to grips with a new, often hostile environment. Later, the family prominently figures in two of the most tragic, yet stirring incidents in Mexican-American history. The first involves the all-Hispanic rifle company that as part of the Texas Volunteer Division lost its colors at the Battle of the Rapido River in Italy during the Second World War, when 156 badly-mangled Hispanic soldiers were ordered to cross the Rapido River against a known German force of more than 3000 men. Only 23 U.S. soldiers came back, and of those, ten would later die. Yet before the war was over, that unit would win more medals for bravery than almost any other rifle company in all of American history. The second incident came in the early 1950's, when some 300 Mexican-Americans, African-Americans and Filipino migrants went on strike in the

harvest fields of South Texas. Though the movement was washed away by the winds of history, within the seeds of that defeat were the victories that came a generation later in the San Joaquin Valley of central California. It is in California that a new generation of Salazars at last succeed in fulfilling the dream of enriching their lives in a soul-satisfying way.

The Dream of America Oct 19 2021 This is the tale of Thomas Jadwin's dream of America. The story occurs during the last half of the reign of England's greatest monarch Elizabeth I and the first decades of her hand-picked successor James I. Thomas' father was a cutler of Welsh ancestry who supplied fine weapons for Nobility. Thomas courts and weds the beautiful and educated fishmonger's daughter, Catherine Pelham. As a wedding gift the Jadwins are given a tenement on the High Street near London Bridge within walking distance of the Bear Baiting Garden and the Globe Theatre. They convert the tenement into a tavern called Saracen's Head. Many of the luminaries of the day, including William Shakespeare, Squanto, and Captain John Smith, come to Saracen's Head to hear the news and raise a tankard of Southwark ale. Inspired by his father's membership in Raleigh's Adventurers for Virginia Thomas buys shares in the company formed to plant the first English colony in America. In this age of famine, plague, war, and the Reformation, Thomas comes to see America as the place where a reconstitution of human society might occur. He actually makes the journey across the Atlantic to the newly founded colony at Jamestown with the Third Supply on the ill-fated Sea Venture.

More Than A Dream Dec 09 2020 It is no accident that approximately one-fourth of the book of Genesis was dedicated to the life of Joseph, the favored son of the patriarch Jacob. That is more literary space than was given to anyone else, including Joseph's illustrious great-grandfather, Abraham. His life was the bridge between the patriarchs and the exodus. Without the details of Joseph's life, the history of the Jewish people in Egypt would be filled with unexplainable gaps. If Moses was indeed the compiler of this history, then he intentionally wanted his readers to understand the life lessons Joseph left as a legacy for people of faith. It is important to see the role and motivation his childhood dreams played in shaping his life and holding him in the embrace of grace through unjust treatment and the exaltation of power. His life can be summarized in the words to his brothers: "You meant evil against me; but God meant it for good" (Genesis 50:20).

Verleden van Nederland Aug 05 2020 In *Verleden van Nederland* vertellen vijf tophistorici het verhaal van Nederland van de prehistorie tot aan de coronacrisis op eigentijdse wijze. *Verleden van Nederland* verschijnt in geheel vernieuwde heruitgave. Over het verleden stelt iedere generatie andere vragen. Iedere generatie verwerft nieuwe inzichten. *Verleden van Nederland* is een geschiedenis voor liefhebbers en professionals, passend bij de eenentwintigste eeuw. Het is het verhaal van de prehistorie tot en met de coronacrisis, van de Tachtigjarige Oorlog tot en met de opkomst van de verzorgingsstaat, van Rembrandt tot en met Karel Appel. *Verleden van Nederland*, vol feiten, data, anekdotes en analyses, biedt een nieuwe blik op de geschiedenis, soms ontluisterend, maar telkens weer verrassend. En tegelijk is het een meeslepend en fascinerend verhaal, hoofdstuk na hoofdstuk, geschreven door een enthousiast en uniek samenwerkingsverband van vijf bijzondere historici. Dit rijk geïllustreerde boek is voor deze nieuwe editie geheel herzien, uitgebreid en geactualiseerd.

Dreams and Dream Narratives in the Biblical World Jun 02 2020 This study of dream accounts in the Bible and in ancient Near Eastern literature suggests two main lines of interpretation: on the one hand it defines the function of dream accounts from a literary, social, political and religious point of view on the basis of literary genre (practitioners' manuals, royal inscriptions, prophetic texts, etc.). On the other hand, in adopting a rather larger typology than is usual (message dreams, symbolic dreams, but also prophetic, premonitory and judgment dreams), it seeks to clarify both the relationship between the fiction implied by the literary form and the actual dream experience of individuals, as well as the different ritual practices related to this experience (interpretation, conjuration, incubation, etc.).

The Dream Kit Feb 08 2021 A renowned dream expert presents a boxed set that includes an audio cassette, a workbook, and thirty-six cards, offering a system for exploring the world of your dreams, opening pathways to improved insight and much more. Original. \$40,000 ad/promo. Tour.

You will be awed and amazed by these true stories from everyday people who have experienced the extraordinary. The 101 stories in this book will enlighten and encourage you to listen to your dreams and your own inner voice.

Death of a Dream May 02 2020 A BEAUTIFUL GIRL WITH AMBITIOUS DREAMS -- DID FOLLOWING HER HEART COST HER LIFE? Award-winning journalists from TV's 48 Hours Mystery go inside the case that shocked even jaded New Yorkers: the murder of aspiring dancer Catherine Woods. She was a gifted midwestern beauty, the daughter of Ohio State University's marching band director: to dance on Broadway. Soon after high school graduation, Catherine left Columbus for New York City, determined to be a star. Three years later, she was dead -- murdered in cold blood in her East Side apartment. The shocking revelations that emerged from the police investigation made tabloid headlines: few knew that the struggling artist paid her bills by dancing in a topless club. But there was another hidden facet to Catherine's life -- a shattering love triangle with two men, one of whom would ultimately be convicted of her brutal stabbing death. It's a chilling account of obsession, violence, and the surprising, minute evidence on which the entire case hinged. For a talented young woman reaching for the top, and the heartbroken family she left behind, it is truly the death of a dream.

The Dream Giver Mar 24 2022 Bestselling author Bruce Wilkinson shows how to identify and overcome the obstacles that keep millions from living the life they were created for. He begins with a compelling modern-day parable about Ordinary, who dares to leave the Land of Familiar to pursue his Big Dream. With the help of the Dream Giver, Ordinary begins the hardest and most rewarding journey of his life. Wilkinson gives readers practical, biblical keys to fulfilling their own dream, revealing that there's no limit to what God can accomplish when we choose to pursue the dreams He gives us for His honor. Are you living your dream—or just living your life? Welcome to a little story about a very big idea. This compelling modern-day parable tells the story of Ordinary, who dares to leave the Land of Familiar to pursue his Big Dream. You, too, have been given a Big Dream. One that can change your life. One that the Dream Giver wants you to achieve. Does your Big Dream seem hopelessly out of reach? Are you waiting for something or someone to make your dream happen? Then you're ready for The Dream Giver. Let Bruce Wilkinson show you how to rise above the ordinary, conquer your fears, and overcome the obstacles that keep you from living your Big Dream. You were made for this. Now it's time to begin your journey.

Dickens and the Dream of Cinema Nov 07 2020 Taking his cue from Walter Benjamin's concept of each epoch dreaming the epoch that is to follow, Grahame Smith argues that Dickens' novels can be regarded as proto-filmic in the detail of their language as well as their larger formal structures. This possibility arises from Dickens' creative engagement with the city as metropolis, as it emerges in the London of the 1830s, plus his immersion in the visual entertainments of his day, such as the panorama, as well as technological advances such as the railway which anticipates cinema in some of its major features. The book offers a new way of reading Dickens, through the perspective of a form which he knew nothing of, while simultaneously suggesting an account of his part in the manifold forces that led to the appearance of film towards the end of the 19th century.

The Dream of Enlightenment Jul 24 2019 One of Slate's 10 Best Books of the Year Anthony Gottlieb's landmark *The Dream of Reason* and its sequel challenge Bertrand Russell's classic as the definitive history of Western philosophy. Western philosophy is now two and a half millennia old, but much of it came in just two staccato bursts, each lasting only about 150 years. In his landmark survey of Western philosophy from the Greeks to the Renaissance, *The Dream of Reason*, Anthony Gottlieb documented the first burst, which came in the Athens of Socrates, Plato, and Aristotle. Now, in his sequel, *The Dream of Enlightenment*, Gottlieb expertly navigates a second great explosion of thought, taking us to northern Europe in the wake of its wars of religion and the rise of Galilean science. In a relatively short period—from the early 1640s to the eve of the French Revolution—Descartes, Hobbes, Spinoza, Locke, Leibniz,

and Hume all made their mark. The Dream of Enlightenment tells their story and that of the birth of modern philosophy. As Gottlieb explains, all these men were amateurs: none had much to do with any university. They tried to fathom the implications of the new science and of religious upheaval, which led them to question traditional teachings and attitudes. What does the advance of science entail for our understanding of ourselves and for our ideas of God? How should a government deal with religious diversity—and what, actually, is government for? Such questions remain our questions, which is why Descartes, Hobbes, and the others are still pondered today. Yet it is because we still want to hear them that we can easily get these philosophers wrong. It is tempting to think they speak our language and live in our world; but to understand them properly, we must step back into their shoes. Gottlieb puts readers in the minds of these frequently misinterpreted figures, elucidating the history of their times and the development of scientific ideas while engagingly explaining their arguments and assessing their legacy in lively prose. With chapters focusing on Descartes, Hobbes, Spinoza, Locke, Pierre Bayle, Leibniz, Hume, Rousseau, and Voltaire—and many walk-on parts—The Dream of Enlightenment creates a sweeping account of what the Enlightenment amounted to, and why we are still in its debt.

Dream Yoga Mar 31 2020 Lucid dreaming—becoming fully conscious in the dream state—has attracted legions of those seeking to explore their vast inner worlds. Yet our states of sleep offer much more than entertainment. Combining modern lucid dreaming principles with the time-tested insights of Tibetan dream yoga makes this astonishing yet elusive experience both easier to access and profoundly life-changing. With Dream Yoga, Andrew Holecek presents a practical guide for meditators, lucid dreamers ready to go deeper, and complete beginners. Topics include: meditations and techniques for dream induction and lucidity, enhancing dream recall, dream interpretation, working with nightmares, and more.

Follow the Dream Jul 28 2022 Christopher Columbus overcomes a number of obstacles to fulfill his dream of sailing west to find a new route to the Orient.

Culture, Music Education, and the Chinese Dream in Mainland China Dec 29 2019 This book focuses on the rapidly changing sociology of music as manifested in Chinese society and Chinese education. It examines how social changes and cultural politics affect how music is currently being used in connection with the Chinese dream. While there is a growing trend toward incorporating the Chinese dream into school education and higher education, there has been no scholarly discussion to date. The combination of cultural politics, transformed authority relations, and officially approved songs can provide us with an understanding of the official content on the Chinese dream that is conveyed in today's Chinese society, and how these factors have influenced the renewal of values-based education and practices in school music education in China.

The Dream Jar May 26 2022 Valentina's family has come from Russia with a wonderful dream --- to own a store. Valentina wants to help, but everyone says she's too little to contribute to the glass jar where the dream money is kept. The family becomes discouraged when little money comes in, but Valentina has discovered how she can help make their dream come true.

To Chase a Dream Jan 28 2020 Winners of 8 national championships, Indiana University is to men's college soccer what University of North Carolina is to college basketball or University of Notre Dame is to college football. To Chase a Dream is the true story of one kid's near-impossible desire to play soccer at that national powerhouse, a kid who was told time after time that he simply wasn't good enough and never would be. What all the doubters failed to consider was that inside the body of an under-sized, humble Paul Kapsalis was the heart of a lion. This is his journey, a story that affirms that perseverance, optimism, hard work, a willingness to learn, and kindness can lead to remarkable achievements and transform a kid who just wanted to play soccer into a leader of men. It took him 5 years, fighting through rejection and a career-threatening injury, but Paul got where he never expected to go. Here's a chance to see how he did it.

Jungian Dream Interpretation Aug 17 2021 Comprehensive guide to an understanding of dreams in light of the basic principles of analytical psychology. Particular attention to common motifs, the role of complexes, and the goal and purpose of dreams.

Boyzone Apr 12 2021 As Take That disintegrated, Boyzone were waiting in the wings to take the mantle of biggest boy band in the world. This is the story of their success and of what it's been like living in a dream.

The Humanities and the Dream of America Jan 22 2022 In this bracing and original book, Geoffrey Galt Harpham argues that today's humanities are an invention of the American academy in the years following World War II, when they were first conceived as an expression of American culture and an instrument of American national interests. The humanities portray a "dream of America" in two senses: they represent an aspiration of Americans since the first days of the Republic for a state so secure and prosperous that people could enjoy and appreciate culture for its own sake; and they embody in academic terms an idealized conception of the American national character. Although they are struggling to retain their status in America, the concept of the humanities has spread to other parts of the world and remains one of America's most distinctive and valuable contributions to higher education. The Humanities and the Dream of America explores a number of linked problems that have emerged in recent years: the role, at once inspiring and disturbing, played by philology in the formation of the humanities; the reasons for the humanities' perpetual state of "crisis"; the shaping role of philanthropy in the humanities; and the new possibilities for literary study offered by the subject of pleasure. Framed by essays that draw on Harpham's pedagogical experiences abroad and as a lecturer at the U.S. Air Force Academy, as well as his vantage as director of the National Humanities Center, this book provides an essential perspective on the history, ideology, and future of this important topic.
